ROCK

DISENGAGE

 **NANO**GRESS®
Porcellanato

TRAVELED THROUTH ITALY,

Our footprints were left, while inspiration come back with us.

SEVEN LOCATIONS,

Seven differentiated feelings and experience.

DISENGAGED

Origin: Napoli, Italy

Design philosophy: The idea comes from the days lived in Napoli. Put the romantic colors and disengaged texture together; Perfectly present the neutral grey by adjusting a variety of colors; The control of neutral grey is the most challenging in the tiles production.

Napoli

A little boy of the Napoli reminded us,
Asking for freedom is nature, feeling
freedom is instinct
let go any limitation
To be the most unrestrained of yourself
Enjoy the disengaged of Napoli

Napoli

There is a worry all the time
when walking in Napoli
worry the madness of
Gomorra is coming
We get nervous because
hearing of the well-known
Mafia
But the city felt
disengaged (Chaos, disorder,
freedom)

DIENGAGED

Multiple layouts reproduce the lively texture of natural rock to heighten natural effect after installing.

CORE TECHNOLOGY

Micro-Engraving Technology - Represent the lively texture of rocks. Originated from Italy design, Italy Rock series has adopted the micro-engraving technology to represent the texture effect on the surface of the tiles, lively as natural rock.

Numerous surface in One Rock - Heighten the natural effect with multiple layouts. Italy Rock series has adopted multi-edition positional output technology to guarantee numerous layouts in every product and used various compound techniques to produce multiple surface effect, heighten the natural effect after installing.

Three-Dimensional Inkjet Technology - Reproduce Nature color. Using the advanced inkjet equipment and glaze technology to extend the color gamut, the natural color of Rock has been reproduced in Nanogress Italy Rock series.

High Definition Effect - Reproduce a real rock. Italy Rock, originated from Italy as its name suggests, realistically reproduces the natural landscape of rock in Italy with its vivid and multiple surface.
